EXPERIENCE

INPROCESS

- o Innovation Product designer / 6 months / Shanghai
- In charge of the design tasks in the growing InProcess Shanghai office. From insights to ideations and concepts, I learnt the InProcess methodology, to be closer as possible from the users's needs.

PRAEL

- o Freelance Product designer / 2 months / Shanghai
- In charge of a new cosmetic range. creation Bottle concept and shape ideation for the entire range of products.

YAANG LIFE

- o Product designer / 6 months / Shanghai, China
- First professional experience in China. Integrated in a chinese team, I designed furnitures such as tableware for the Yaang Life brand.

BUGGY SHOES - ERAM GROUP

- o Shoe designer / 3 months / Cholet, France
- I had the chance to mix my passion for the shoes and for the design. I have been in charged of several lines of shoes, by beeing integrated in the stylist team of the first french shoes producer : Eram.

MIGUEL DELAUAUD ARCHITECTS

- o Intern / Nantes, France
- Observation on the field, ideation and conceptualization.

INTERESTS

Having lived on an island, I feel better when I see the ocean. Don't try to speak with me while I am reading comics! I enjoy sports, especially water sports, soccer and bike. Drawing and manual works. My grandmother's jam.
